

# REPORTING SUSPICIOUS CONTACTS OR EMAILS WHILE ON STUDY ABROAD

## What should be reported?

- Suspicious contacts by persons of any nationality
- Suspicious emails from a foreign email address
- Crime & Safety issues

## What is suspicious?

- Requests for information not publicly available
- Inquiries about technology with military applications
- Questions about specific people and programs
- Attempts to gain access to your computer or email account.
- If it doesn't feel right, it probably isn't. Go with your feelings.

## How to report something suspicious?

- Send as much detail as you can about the encounter or email (or forward it) to [Suspicious.Contacts.Aboard@gatech.edu](mailto:Suspicious.Contacts.Aboard@gatech.edu) or call Terry Culver: 404-407-7128 or Al Concord: 404-407-7998
